PROFESSIONAL EXPERIENCE

Digital Marketing Manager

Media Print UAE | Remote / Dubai, United Arab Emirates | September 2021 - July 2026

- From July 2022, managed ongoing social media activity for a UAE printing business, coordinating content ideas, branded post design, captions, scheduling, publishing, and account consistency.
- Turned services, offers, and business updates into clear social content while maintaining a professional visual identity across recurring posts.
- Coordinated directly with business stakeholders to keep content accurate, timely, and aligned with current priorities.

Co-Founder - Social Media & Digital Operations

GFX Printer | Lahore, Pakistan | July 2022 - July 2026

- Managed social media from August 2022 to March 2024, planning content, creating branded graphics and copy, organizing publishing, and maintaining consistent account activity.
- Managed and supported multi-platform brand presence with content adapted for different social channels and audience contexts.
- Combined design, copywriting, video editing, and content planning to keep the business social presence useful, recognizable, and consistent.

Founder - Freelance Social Media & Content Systems

GFX Hawker | Freelance | Remote / Pakistan | 2024 - Present

- Build and manage social content systems for business and client work, covering planning, content production, publishing, review, and repeatable workflows.
- Use AI-assisted social media workflows to reduce repetitive content-production and publishing work while keeping human approval and brand control.
- Use structured content processes to improve consistency across channels without turning social media management into fully automated, low-quality output.

Social Media Manager

British Aesthetics | On-site | July 2023 - October 2023

- Handled social media management in an on-site role, supporting content planning, visual content, captions, posting coordination, and consistent brand presentation.
- Worked closely with the business team to turn current services and updates into timely social content and maintain a professional online presence.
